MNPS District Map

2023-24

This map shows the general geographic area zoned to each school. Actual zoning is based on specific street addresses and cannot always be determined visually, especially around the border of a zone. To find the exact school zone and options available to a specific address, please visit our [SCHOOL ZONE FINDER](https://www.mnps.org/zoning) website at <https://www.mnps.org/zoning> or call Customer Service 615-259-4636. Also see our map site for greater zone detail at: maps.mnps.org
